

# Smartmail Bound Printed Matter - Expedited

Do you send marketing or editorial materials? Does your business distribute publications or manuals? Are these items bound (multi-stapled, glued, stitched or spiral-bound)? If they weigh between 1 and 15 pounds (one item or several together), they qualify as United States Postal Service "Bound Printed Matter."

## Rely on the power of our nationwide network.

DHL Global Mail™ offers *SMARTMAIL BOUND PRINTED MATTER*®, a full-service mail solution with a quality controlled process that moves your mail pieces with precision. After picking up your mail, we will sort and process the pieces at one of our nationwide Mail Terminals, transfer them to the destination postal facility and insert the items deep into the mail stream. This efficient process allows for greater control and visibility.

By leveraging the strengths of the DHL Global Mail network and the Workshare partnership with the United States Postal Service (USPS), customers benefit from superior transit times, reliability, our professional expertise and value-added services.

## Peace of mind.

It's our way of delivering something money can't buy: satisfied customers across the USA. Take one look at our service options and you'll understand.
